

Information to customers regarding POP regulation

**Persistent,
Organic,
Pollutants**

With EU Regulation No. 850/2004 coming into force, it regulated the production, marketing and use of prohibited and restricted substances at European level.

With this regulation, the EU is transposing the international agreements of the Stockholm Convention and CLRTAP into EU law.

In accordance with this EU Regulation, we hereby confirm that no substances from Annex I and Annex II of this regulation are used in our products.

If you have any questions regarding this subject, you can get in touch with us.

Yours sincerely
